

THEME

Therefore, we have sown, not only in our First Year at Saint Michael's, but through the whole course; we have mellowed not only in our second year, but are still mellowing; we have ripened mostly in our Junior Matriculation years, but are well aware that the process is far from ended; and our Fifth and Final Year with its promise "of later fruits" is the real preparation for the long winter of life, during which we will enjoy the stored knowledge and education of our fruitful seasons and try to dodge the killing frost that nips the roots and anticipate the fall of all men. In the meantime let us enjoy the reward of our garnering as our Commencement proceeds.

It is customary to compare life to the seasons of the year. It was done yesterday. It is done today. It will be done tomorrow. So do we compare our High School life here at Saint Michael's to seasons . . . the Seasons of a Wonderful Year. Four seasons, four acts, four changes of costume . . . and never more spectacular than when finally cloaked in Graduation's rich, glowing garb.

The Principal's Message

MY DEAR STUDENTS . . .

Did you ever see one of your friends doing something odd to attract attention? If you saw this and had the chance to unpeal the layers of defense that concealed his or her personality you would find there a desire for more than attention, for more than approval. Deep in the heart of your friend you would find a great emptiness and a consuming desire to be loved. Every human heart wants to be loved perfectly, entirely, and without end. During your high school years your minds and hearts have expanded and the attention your parents lavished on you in childhood has diminished. That is why you are more conscious of this human anguish. Some youngsters daydream during these years that they are orphans feeling that they are intruders not really accepted in even the most loving family circle. When you have grown up you will be able to look back and smile at some of the insecurity you felt at this time. But you will never quite escape from the restless yearning that troubles human hearts. "Our hearts are restless," Saint Augustine says, "until they rest in Thee". Every atom of our physical being and the whole flame of our spiritual soul quiver and strain to find again the Hands that moulded it, the Mind that formed it, and the Heat that made it be.

At a time when people everywhere are suffering from the most terrible kinds of insecurity, and when men and women plunge themselves into the most incredible foolishness and even sin, to feel that they are loved, the Holy Father has written an Encyclical to emphasize again the importance of devotion to the Sacret Heart of Our Lord. His message is directed to all men, but in these years it means something very special for you.

He tells us how in the Old Testament, our Heavenly Father revealed His love for us. "As an eagle protects its nestlings . . . so He spreads His wings to shield us." "I carried you in my arms, and you knew not that I healed you." "I have loved you with an everlasting love . . ." And then Pius XII goes on to show from the pages of the New Testament how in the fullness of time the Son of God took a Heart like ours to symbolize His love for us, and how that Heart was stilled in death for love of us, and finally how it was opened 'as He slept on the Cross' that its life might flow to us in the Holy Eucharist.

Then the Holy Father makes his own, St. Paul's prayer for us: "May Christ find a dwelling place, through faith, in your hearts, so that being rooted and grounded in love, you may be able to comprehend with all the saints what is the breadth and length and height and depth and to know Christ's love which surpasses knowledge, in order that you may be filled unto all the fullness of God." (Eph. 3:17).

In Memoriam

"Dispel the fears, the loneliness, for this great man, Who every day, in goodness, these halls trod. He loved him much, and said, 'Come Unto Me,' And we know he walks with God."

The Basilian Fathers, and Saint Michael's College School particularly, suffered a great loss on December 7, 1956, When Father Joseph Timmins, C.S.B., died. A great teacher and beloved friend of staff and students alike, his passing has left us with a deep sense of the significance of the words of Saint Paul, "We do not have here a Lasting City."

We have loved him in life; Let us not forget him after death.

Football

THE KERRY BLUES

On the first day of school last September, a football squad, riddled by graduation and with shallow experience, began workouts. Their only fan-fare was the light blue of their jerseys upon the broad green of the gridiron. Gradually the clean blue changed to many shades of streaked brown as the Blues ate dirt and became a close working unit under the able guidance of Mr. C. Cerre, the Head Coach, and his assistants, Father B. Higgins and Mr. Mike Lisko. If desire, spirit and determination were alone required to win football games, our team would have been the "winningest" club in the country, but it was just not to be.

Perhaps this was the most disastrous season ever suffered by the Fighting Irish of Saint Michael's. The record of but two wins in eleven contests verifies this statement. For the second year in succession the O. C. A. C. Championship was won by our rivals who sport the bright red, white and green of De La Salle. Congratulations "Del!" You were great!

Even this disastrous season failed to black out all of the bright spots of the Double Blue. There were some exciting moments—there were the usual number of scintillating stars. The Kerry Blues growled their way to a sparkling victory when they took on undefeated Upper Canada College, and in as thrilling an encounter as anyone would want to witness, the Irish scored an upset when they trampled the huskies from U. C. C. by the score of 12 to 7. It was a thriller! The Irish rose to great heights in the opening game of a long season when they held a powerful "Del" squad on their home field to a 20 to 19 count. However, the "Rah-Rah" boys from down under came back in the final game to swamp the Irish and win for themselves the coveted O.C.A.C. Trophy for the second year in a row.

Who were the outstanding players? To play football well, team work is an essential. However, we will name but a few who stood out in an effort that was not productive, but nevertheless was appreciated by the many fans who cheered and cheered a losing team, but not a losing cause.

Stalwarts of the Majors were stalwarts of the Kerry Blues. Louis Angotti, Jim Sonoski, Mike Draper and others gave their all on the grid as they did on the ice. Bob Fenn was a terror on the attack as was big Tom Wilson. Jimmy Morse and Louis Pocius were there. You will hear more about the others next year, when in the words of Coach Father Higgins and Head Coach Mr. Cerre—"It will be another story," O. K. Gang, Go! Go! Go!

The Junior Kerry Blues

O. C. A. C. CHAMPIONS

Again in 1956 the Saint Michael's Junior Kerry Blues came through with flying colors. From the first win against Jarvis Collegiate, no team could overpower our club. In copping the O. C. A. C. Junior Crown for the seventh consecutive year the Blues set a record of eight wins and two ties.

A wonderful team spirit prevailed throughout the season, and with the excellent coaching of Father D. Bauer and his assistant, Mr. M. Quealey, the team showed a determination to keep up the good reputation of Saint Michael's on the gridiron.

The record of the Junior Kerry Blues can be attributed to great ability, wonderful teamwork and outstanding performances by all members of the team. Co-captains Terry O'Malley and Denny Bell were big reasons for the success of the team. Every player on the team played to the best of his ability and the success of the team is credited to everyone concerned.

Congratulations to the Junior Kerry Blues!-Champions!

The Bantam League

Great football was played again in the Bantam League this year. Ottawa Rough Riders ruled the roost as it did last year. Led by their fine quarterback John Corbett, and stalwarts Tony Pantaleo, Herman Stringer and Joe Sobara, they defeated their greatest rival, the Alouettes from Montreal, 18-0 and 12-6 in the playoffs.

Jim Doyle and the Draper Twins along with the entire Montreal contingent tried so very hard to end the Ottawa dynasty, but just fell short.

The Argos and the Ti-Cats from Hamilton tried hard, but they just could not cope with Ottawa's awesome power. They had some fine players—David Bain, Gary Ruffo, Mike Howorth and Brian Bridger.

Victory, although sweet, was secondary. For the idea of the Bantam League is to create good sportsmanship, and to give the other fellow a chance to play.

Thanks are due to Father Ken Wilson—the Boss-man—and to Fathers McLean and Ronan, and Messrs. Purdie, Carlton and Corsini for an excellent coaching job.

The Senior House League

The Senior House League schedule provided many exciting afternoons during the Fall Season. Winnipeg, under the coaching of Mr. Doherty, finished the regular schedule in last place; but in the play-offs, led by Bruno Bertolin, they edged out Vancouver in the semi-finals and then routed the powerful Edmonton Eskimos twice in a row to lift the League Championship out of the clutches of Father Egsgard's warriors.

The leading scorers were Bruno Bertolin with one hundred and twenty-nine points followed by Barry Diemert and Wayne Taylor with eighty one and seventy three points respectively.

A vote of thanks is given by all the players to the coaches, the referees John Devan and Frank Thickett for a job well done. Thanks, too, to Father Penny who organized both the Junior and the Senior Leagues.

Junior House League

The Junior House League enables the smaller fellows to take their part in football at Saint Michael's. When the final standings were published, Western Mustangs finished on top of the heap. The spirited Varsity Blues ended up in second place. Then came the play-offs. Western routed McGill in two straight, while Varsity did the same to Queen's. Then came the clash of champions. Two highly spirited teams smashed into each other, and when the smoke cleared the Varsity Blues had trimmed the Mustangs 19-6. The second game was a thriller. When the final whistle blew, the two teams were tied 13--13. In the overtime period Pete Speyer scored a TD for Varsity and although the Mustangs rallied they could not dent a powerful Blue defense. It was a great season and the coaches, players and officials enjoyed every minute of it.

Hockey

Father J. Crowley

Athletics are a cherished tradition at Saint Michael's, an important part of school activity down through the years. During the year 1956-1957 our teams performed creditably in every sport, but none more than our hockey teams. From the Majors to the Buzzers down through the T. H. L. teams to the Bantams our representatives have maintained that "Fighting Tradition of the Irish!"

Those two words "Fighting Irish" are the key to the success of the Majors of '56-'57 and to the success of their coach, Father Crowley. Quiet, yet forceful, cool and calm yet resolute and courageous, Father Crowley and his advisor Mr. Joseph Primeau instilled such a love of clean play, such a spirit of raw courage, such a flaming surge of Saint Mike's fight into the boys that Saint Michael's points with pride to the Majors of '56-'57, a team that lost on occasions, but was never beaten.

.

Father E. Flanagan

This year's edition of the Buzzers was the youngest to ever represent the Irish in the Junior O.H.A. "B" Series. Due to their inexperience they started slowly, but as the season wore on it was evident that they would come into their own sooner or later. Coach Father Flanagan was patient with his boys, and his patience paid off. After a disastrous season last year, the Buzzers came back this year to make the playoffs only to be pitted against the league leading Brampton Club. However, the "Fighting Irish" showed no pity and polished off the opposition in a best out of seven series four games to one. As we go to press we wish the Buzzers the very best in their quest for a championship. Time will tell. In the meantime, Go, Irish, Go!

Father D. Bauer

Saint Michael's was represented in the Toronto Hockey League by four teams: the Minor Juveniles, the Midgets, the Minor Midgets and the Bantams. Father D. Bauer was the Director of the T.H.L. teams and coached the Minor Juveniles. Fathers Higgins, McLean and Egsgard were the coaches of the other teams and all players, managers and coaches lived up to expectations. The new artificial ice rink solved many problems of other years and with the action so close to home the student body, their parents and the staff were able to enjoy the competition and give whole-hearted support to all the teams

.

All of the boys in competition maintained the tradition of the Fighting Irish; and after another year we can say: "THEY ARE STILL THE FIGHTING IRISH!!"

And as one fan put it: "It sure was a great year, but I think next year will be even better."

The Matha Guild of Saint Michael's College School is a very integral part of our institution. The school has profited greatly by the suggestions that the mothers give, by the financial help offered, and especially by the inspiration aroused by seeing our mothers working so hard for us, their sons, and for our school. Their efforts are too numerous to enumerate here; but outstanding is the Fashion Show and Bridge held in the Fall of the year, and which is one of the social "musts" in Toronto; and, of course, their help and inspiration at the time of the Double Blue Ball and Graduation time are ever welcome and appreciated. The Annual Mass and reception of Our Divine Lord in Holy Communion for the deceased members of the Guild is an inspiration to all of us.

We pay tribute to our Mothers and especially those who are members of the Martha Guild of our school in these words of a forgotten poet:

"Mothers have a way with them
Only mothers know;
To take His place on earth
God just made them so."

Once again the Mission Society was as active as ever. Through the self-sacrifice and generosity of the student body well over four thousand dollars has been collected this year to assist the missions at home and abroad.

The "M"-Man Contest realized about one thousand dollars. As usual this contest provided good fun and wholesome rivalry for a two-week period.

The Mission Reps deserve a big word of praise for the enthusiasm they kept alive in their classes, and the fidelity with which they made their weekly returns. The cooperation of the Executive and the Student Body has made this a banner year in the long mission tradition at Saint Michael's.

the band of st. michael's college school

During the past year the Saint Michael's College School Band experienced one of its most successful and active years in its history. The Annual Concert was held this year in our own auditorium and it was highly appreciated. Outstanding musical critics acclaimed it as a tremendous musical achievement.

As in former years the Band was featured at the Christmas Concert and the S. R. O. crowd enjoyed every minute of a most enjoyable musical extravaganza.

Johnny Guerriere has accomplished much in the few years that he has been Director of the Band. But never in this time has he come up with better entertainment. Perhaps it is because he has had great enthusiastic support from the Band Moderator, Father Ronan. Congratulations to you, Father, and to all the members of your Band.

IMMACULATE MARY

Most Rev. Leo Deschatelets Superior General

DID YOU KNOW THAT . . .

There are almost 3,000 professed Oblate Fathers and Brothers working for souls and the Church in Canada?

There are nearly 7,000 Oblate Missionaries throughout the world?

The Missionary Oblates of Mary Immaculate are established in 28 countries and on all six continents?

The Congregation has five of its members, including the Holy Founder, recommended for canonization?

There are 33 Oblate Archbishops and Bishops in the world today, and of these, 12 are in Canada?

There are 442 Oblate centres in our country spread over nine of the ten provinces and throughout the Yukon and Northwest Territories?

There are 14 Oblate Seminaries in Canada where hundreds of Canadian young men are preparing themselves for the missionary priesthood?

There are 5 Oblate training centres in Canada for many generous young men who are being trained as Brothers-Coadjutors?

The Oblates of Mary Immaculate have the largest missionary field in the world . . . and the most difficult . . . the entire Arctic area?

Each year more and more Canadian High School Graduates are giving themselves to this missionary community of men?

There is a place for every talent and personality?

An unlimited supply of vocations is needed?

We will never have too many priests and brothers?

There is a PLACE for YOU?

You should investigate and find out if you have the grace of such a vocation?

You should contact the Oblate Vocational Office if that life appeals to you?

This can be done by writing a note to:

"To evangelize the poor He hath sent me.
